

The \_\_\_\_\_ of England were  
 looking for a better life in the \_\_\_\_\_  
 . When they arrived they  
 found the \_\_\_\_\_ were  
 already here. At first we were  
 suspicious of one another. But,  
 eventually we decided to help each  
 other. After a very hard and  
 winter our new friends  
 helped us plant and \_\_\_\_\_  
 vegetables and \_\_\_\_\_.

# YOUR INVITED TO THE STORY FIRST THANKSGIVING

We had a \_\_\_\_\_ feast to  
 celebrate our success. The  
 \_\_\_\_\_ tribe made  
 \_\_\_\_\_, and  
 \_\_\_\_\_ . The  
 \_\_\_\_\_ of England made  
 \_\_\_\_\_, \_\_\_\_\_,  
 \_\_\_\_\_ . We  
 ate until we could not \_\_\_\_\_ .  
 We are grateful for the harvest, but  
 most of all we are grateful for our  
 \_\_\_\_\_ new friends.
